Subject: Tower Standard Site Safety and Health Plan, Revision 1
EPA Contract No. EP-W-12-009
Task Order 2012

Dear Mr. Bob Egan,

Attached for your review is an electronic copy (PDF via email) of the revised Site Safety and Health Plan prepared by Bristol for the Tower Standard site under Task Order 2012. This safety document has been modified to incorporate additional tasks included under Amendment 4 of the task order.

Please call (907-563-0013) or email me if you have any questions or comments.

Sincerely,
Bristol Environmental Remediation Services, LLC
